

US CALIBRATION ORDER FORM © 2017 STANDARD IMAGING, INC. 4525-25, 10/17 PAGE 1 OF 2

Standard Imaging offers calibrations from the Accredited Dosimetry Calibration Laboratory (ADCL). Only one purchase order is needed to cover calibrations, shipping/handling and service. All Standard Imaging instruments are tested and examined prior to calibration. If service is required, we'll call you for your approval prior to the repair.

To *expedite your order*, simply:

1. Print and fill out the Calibration Order Form, and
2. Send your equipment, purchase order and Calibration Order Form to Standard Imaging.
3. If service is needed, please authorize a dollar amount we can charge without checking back with you to ensure a faster response. We'll take care of the rest of the process for you!

NOTE: Prices are subject to change without notice.
